Education

- 2024–present **PhD in Mathematics**, *IRMAR – Université de Rennes*
Real Monodromy Conjecture, under the supervision of **Goulwen Fichou**
- 2023–2024 **M2 Master's Degree in Mathematics**, *Université de Rennes*
Algebra and Geometry track.
- 2022–2023 **M2 Master's Degree Préparation pour l'agrégation externe de Mathématiques**, *ENS Rennes & Université de Rennes 1*
- 2021–2022 **M1 Master's Degree in Mathematics**, *Université de Rennes*
- 2020–2021 **Bachelor's Degree in Mathematics**, *Université de Rennes*
- 2016–2018 **Classe Préparatoire aux Grandes Écoles**, *Lycée Clemenceau, Nantes*
MPSI and MP*
- 2016 **Baccalauréat Scientifique**, *Lycée Bellevue, Le Mans, SVT – Spé Mathématiques*

(Pre)publications

- 2026 **Poles of real motivic zeta functions for curves**, *Preprint*, [arXiv:2601.02180](https://arxiv.org/abs/2601.02180), Submitted

Research Talks

- June 2026 **ANR NewMirage Meeting**, *Poles of real motivic zeta functions for curves*, Angers, France
- March 2026 **Journées de géométrie réelle**, *Poles of real motivic zeta functions for curves*, Vannes, France
- November 2025 **PhD Students' Seminar**, *Classification of Singularities in Real Geometry*, Angers, France
- November 2025 **PhD Students' Seminar**, *Classification of Singularities in Real Geometry*, Brest, France
- September 2025 **Pampers PhD Students' Seminar**, *An Introduction to the Monodromy Conjecture*, Rennes, France
- June 2025 **Pampers PhD Students' Seminar**, *Classification of Singularities in Real Geometry*, Rennes, France
- September 2024 **Pampers PhD Students' Seminar**, *Virtual Betti Numbers of Real Algebraic Varieties*, Rennes, France
- June 2024 **ANR NewMirage Meeting**, *Virtual Betti Numbers of Real Algebraic Varieties*, Angers, France

Teaching

- 2024–2027 **Teaching Assistant**, *Travaux dirigés in Linear Algebra (ESIR, CUPGE2) and Mathematical Methodology (L1 MIAHS)*, Université de Rennes, France
- 2023–2024 **Mathematics Tutor in Preparatory Classes**, *Mathematics oral examinations for MP* students*, Lycée Chateaubriand, Rennes
France

Internships

- March–July 2024 **Research Internship**, *IRMAR – Université de Rennes*, France
Virtual Betti Numbers of Real Algebraic Varieties, supervised by **Goulwen Fichou**
- April–July 2022 **Internship**, *IRMAR – Université de Rennes*, France
Galois Theory, supervised by **Matthieu Romagny**

Responsibilities and Distinctions

- 2025–2026 **PhD Students' Seminar**, *Organizer of the Pampers Seminar for PhD students in Algebra and Geometry*, IRMAR, Rennes
- 2023–2024 **Master's Scholarship**, *Recipient of the Centre Henri Lebesgue Excellence Scholarship*
- 2021–2023 **Faculty Council**, *Member of the Council of the Department of Mathematics*, Université de Rennes
